The Hebridean Sky

Early in 2016 The *Hebridean Sky* underwent a 6.5 million dollar refurbishment. As the Sea Explorer, the name she sailed under before the refit, she made a name for herself as an elegant, intimate and very comfortable small ship with impeccable service and a charming atmosphere. As the *Hebridean Sky,* she continues this tradition while adding a host of new amenities as well as state of the art stabilization, fuel efficiency and upgraded communications systems. At a maximum capacity of only 110 passengers, with her all-suite accommodations and increased adventure options, the *Hebridean Sky* is the perfect blend of luxury and adventure.
