

# Directions to GeoEx

## LYFT/UBER (or taxi directions):

1. First Option: Input **1012 Torney Avenue** as your destination when requesting the ride.
  - a. Enter the Tides Converge building at 1012 Torney Ave
  - b. Walk straight past the elevator on the left; turn left when at the dead end
  - c. Walk through the double glass doors; continue past the cafe on your left
  - d. Turn right at first long hallway on the right, across from vending machines
  - e. We are the 3rd door on the right; the Geographic Expeditions logo is on the office door
2. Second Option: Input **Edie Road** as your destination when requesting the ride.
  - a. Tell the driver you are looking for the large parking lot on Edie Rd. The lot is flanked on the SE and SW by Tides Converge, the large white building complex in which GeoEx is located
  - b. Look for the electronic directory near the signpost that lists Geographic Expeditions; follow the instructions on the directory to reach Geographic Expeditions and we will buzz you into the building. We are located on the 2nd floor. After entering through the glass door on the 2nd floor, we are the first door on the right.

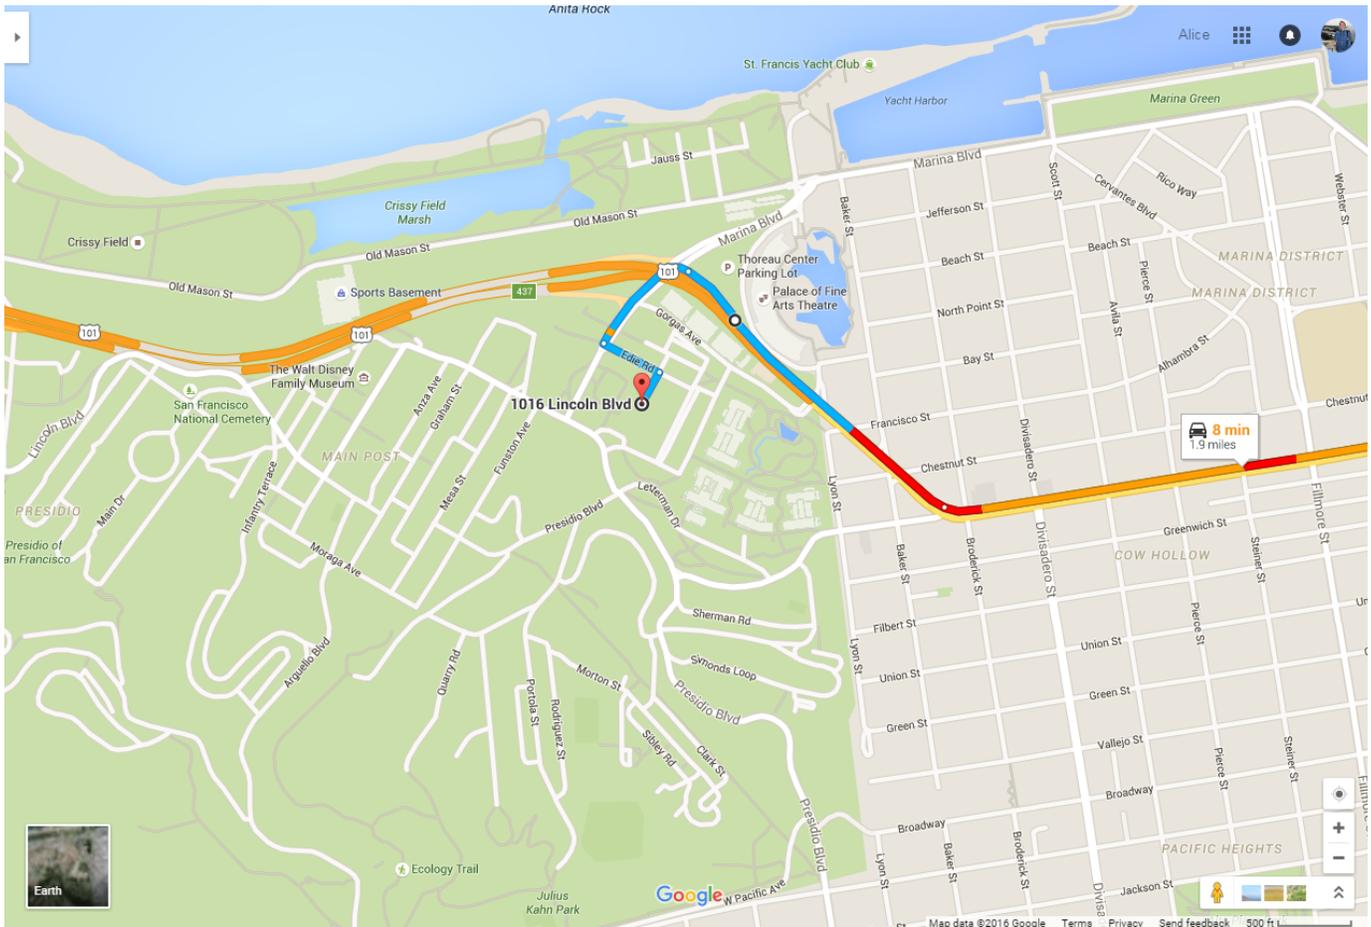

## DRIVING:

### From downtown SF

Take any westbound street to Van Ness Avenue. Turn right onto Van Ness Street towards the Golden Gate Bridge and follow it to Lombard Street (see From US 101 North/Van Ness Avenue below).

### From US 101 heading North (from Van Ness Avenue)

When 101-North (Van Ness Avenue) reaches Lombard Street, turn left onto Lombard St. Continue west on Lombard toward the Golden Gate Bridge. Once Lombard veers to the right, the street becomes Richardson Ave; make sure you are in the far right lane. Take exit 437, Presidio/Marina Blvd. At the first light, turn left on Girard Rd. Continue to Edie Rd and turn left. We are located in Tides Converge, the large white building complex on the right surrounding the parking lot. Pay for parking using one of the kiosks located throughout the lot. Look for the electronic directory near the signpost that lists Geographic Expeditions; follow the instructions on the directory to reach Geographic Expeditions and we will buzz you into the building. We are located on the 2nd floor. After entering through the glass door on the 2nd floor, we are the first door on the right.

## From the North Bay

Googlemaps from Marin to GeoEx

Take US 101 South across the Golden Gate Bridge. Continue on US 101 South until you've driven through two short tunnels; make sure you're in the far right light by the time you drive through the second tunnel. Take exit 437, Presidio/Marina Blvd. At the first light, turn right on Girard Rd. Turn left on Edie Rd. We are located in Tides Converge, the large white building complex on the right surrounding the parking lot. Follow instructions above for parking and building access.

## **PUBLIC TRANSPORTATION:**

The Presidio is accessible by MUNI (415-673-6864) bus routes 41, 45, 82X, and 30 (from downtownSF/Market Street), 28, 29, and 43 (from other points in the city). Only the 29 and 43 serve the Tides Converge building directly, others require a 5-10 minute walk from near the Lombard Street Presidio Gate. From the North Bay: several Golden Gate Transit (415-923-2000) buses also stop near the Lombard Gate. The PresidiGo Shuttle is a convenient nonstop ride from downtown. The downtown stop is located in front of the Embarcadero Hyatt on Drumm Street. See PresidiGo Shuttle website for more detailed information and schedules.
